Independent Auditors' Report

To the Board of Directors
Chautauqua Opportunities, Inc.
Dunkirk, New York

Report on the Financial Statements

We have audited the accompanying financial statements of Chautauqua Opportunities, Inc. (a nonprofit organization), which comprise the statements of financial position as of October 31, 2020 and 2019, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to error or fraud.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Chautauqua Opportunities, Inc. as of October 31, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Other Matters - Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information schedules of activities and schedules of revenue and expenses in comparison to budget on pages 30 - 63 are presented for purposes of additional analysis and are not a required part of the financial statements. The accompanying schedule of expenditures of federal awards for the year ended October 31, 2020 on pages 24 -25, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is also presented for purposes of additional analysis and is also not a required part of the financial statements. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have issued our report dated February 18, 2021, on our consideration of Chautauqua Opportunities, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters for the year ended October 31, 2020. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Chautauqua Opportunities, Inc.'s internal control over financial reporting and compliance.

CHAUTAUQUA OPPORTUNITIES, INC. NOTES TO FINANCIAL STATEMENTS

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

NATURE OF ACTIVITIES - Chautauqua Opportunities, Inc. (the Organization) is a not-for-profit community action organization. Its mission is to encourage the development of programs designed to eliminate poverty in Chautauqua County, NY as well as to provide programs to serve the elderly. A majority of the Organization's community oriented programs are funded through federal, state, and local governmental units.

BASIS OF ACCOUNTING - The financial statements of the Organization have been prepared on the accrual basis of accounting, and accordingly, reflect all significant receivables, payables, and other liabilities.

BASIS OF PRESENTATION - The Organization adopted FASB Accounting Standards Update (ASU) No. 2016-14, *Not-for-Profit Entities* (*Topic 958*) - *Presentation of Financial Statements of Not-for-Profit Entities*, effective with its fiscal year ended October 31, 2019. As such, the Organization reports information regarding its financial position and activities according to two classes of net assets that are based upon the existence or absence of restrictions on use that are placed by its donors: net assets without donor restrictions and net assets with donor restrictions.

CASH AND CASH EQUIVALENTS - For purposes of the Statements of Cash Flows, the Organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents, unless the investments are held for meeting restrictions for purchase of property and equipment, payment of long-term debt, or endowment.

The Organization adopted FASB Accounting Standard Updates (ASU) No. 2016-15, Statement of Cash Flows (Topic 230) Classification of Certain Receipts and Cash Payments and No. 2016-18, Statement of Cash Flows (Topic 230) Restricted Cash, effective with its fiscal year ended October 31, 2020, with retrospective application to 2019. Guidance under ASU No. 2016-15 is intended to reduce the diversity in practice in how certain transactions are classified in the statement of cash flows. ASU No. 2016-18 guidance includes: (1) how restricted cash should be presented in the statement; (2) showing the change in total cash and restricted cash in the statement; (3) no longer requiring the presentation of transfers between cash and restricted cash in the statement, and; (4) disclosure of the nature of restrictions on cash. The retrospective application did not affect previously reported amounts.

RECEIVABLES - Grants and other receivables are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. Based on funding providers past payment histories, management did not believe any allowance was necessary at year-end.

INVENTORY - Inventory represents material for the Organization's housing rehabilitation/weatherization programs and technology. The Organization measures its inventory at the lower of cost or net realizable value. Net realizable value is the estimated selling price in the ordinary course of business, less reasonably predictable costs of completion, disposal, and transportation.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

PROPERTY AND EQUIPMENT - Property and equipment are recorded at cost or at the estimated fair value at the date of donation. Such donations are reported as support without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Assets donated with restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as support with donor restrictions. Such support is reclassified to net assets without donor restrictions when the restrictions expire or property and equipment is placed in service.

The Organization's policy is to capitalize acquisitions in excess of \$5,000. Acquisitions over \$5,000 made with funding from governmental agencies or other grantors are expensed in the year of acquisition if the title to the property and equipment is considered to be held by such funders. Depreciation is provided using the straight-line method over the estimated useful lives of the assets as follows:

| | Asset iiie |
|----------------------------|---------------|
| Buildings and improvements | 20 - 40 years |
| Vehicles | 5 - 7 years |
| Equipment and furnishings | 5 - 10 years |

Property and equipment are reviewed for impairment if the use of the asset significantly changes or another indicator of possible impairment is noted. If the carrying amount for the asset is not recoverable, the value is written down to the asset's fair value. At October 31, 2020 and 2019, no impairment in value has been recognized.

Depreciation expense was \$188,062 and \$190,494 for fiscal year 2020 and 2019, respectively.

INVESTMENTS - Investments in marketable equity securities with readily determinable fair market values, are stated at fair value as of the date of financial position. Acquisitions of investments are recorded at cost, or if donated, at fair value on the date of donation. For the components of investment return (loss) as included in *Miscellaneous Revenue* on the Statements of Activities, see Note 4. The Organization adopted FASB Accounting Standards Update (ASU) No 2016-01, *Financial Instruments - Overall (Subtopic 825-10): Recognition and Measurement of Financial Assets and Financial Liabilities* and ASU No. 2018-03, *Technical Corrections and Improvements to Financial Assets and Financial Liabilities*. ASU No. 2016-01 provides guidance for the recognition, measurement, presentation, and disclosure of financial instruments. ASU No. 2018-03 clarifies certain aspects of the guidance in ASU No. 2016-01. Both ASUs were applicable to the Organization as of November 1, 2019. Application of the ASUs did not result in any cumulative effect adjustments as of such date.

REFUNDABLE ADVANCES - The Organization generally accounts for contract and grant revenues as exchange transactions in the Statements of Activities to the extent that expenses have been incurred for the purpose specified by the grantor during the period. In applying this concept, the legal and contractual requirements of each program are used as guidance. Funds received in advance of their use are accounted for as refundable advances in the Statements of Financial Position.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

REVENUE RECOGNITION

Contribution Revenue - Effective November 1, 2019, the Organization adopted the provisions of FASB Accounting Standards Update (ASU) No. 2018-08, Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made. The standard provides guidance in evaluating whether transactions should be accounted for as contributions or exchange transactions and determining whether a contribution is conditional. Unconditional contributions of cash, securities or other assets and unconditional promises to give, are recorded when received. Conditional contributions and promises to give (i.e. those with a measurable performance or other barrier and a right of return) are not recognized until the conditions on which they depend are substantially met or explicitly waived by the donor. The provisions of the ASU have been applied to contributions received in the accompanying consolidated financial statements under a modified prospective basis. Accordingly, there was no effect on net assets upon implementation.

Contributions and unconditional promises to give with donor restrictions are reported as increases in net assets with donor restrictions even if restrictions are met in the year received. In the year when restrictions are met or expire, net assets with donor restrictions are reclassified to net assets without donor restrictions.

In-kind Contributions - In-kind contributions include free materials, space usage, utilities, food, transportation services, and also volunteer services that meet the criteria for recognition in accordance with generally accepted accounting principles in the United States of America. Recognized volunteer services included assistance in various programs. The in-kind contributions are recorded as such on the Statements of Activities. A corresponding expense of the same amount is included in Program Expenses on the Statements of Functional Expenses. The in-kind contributions recognized as revenue and expense for 2020 and 2019, were \$821,083 and \$863,325, respectively.

FUNCTIONAL ALLOCATION OF EXPENSES - The costs of providing program and supporting services are presented in these financial statements by functional and natural classifications. Directly identifiable expenses are charged to the specific program or supporting service. Expenses attributable to more than one function are allocated based on measurable, reasonable, and consistent methods. Methods used to allocate included time and effort, units of service, usage, and square footage. The Organization also uses an indirect cost rate to allocate costs to its various programs (see following).

INDIRECT COST RATE - The Organization uses an indirect cost rate for the purpose of allocating indirect costs. The methodology used to develop the indirect cost rate was approved by the U.S. Department of Health and Human Services (HHS). The indirect cost allocation plan for the years ended October 31, 2020 and 2019 was approved by HHS, the Organization's Federal Cognizant Agency. The costs, bases, and methods of allocation per the plan were in accordance with the provisions of OMB Circular A-122, Cost Principles For Nonprofit Organizations, or contained in 2 CFR Part 200 (Uniform Guidance).

ADVERTISTING - Costs to promote the Organization's programs, services and employment opportunities, are expensed as incurred. Advertising expense was \$42,435 and \$65,246 for the years ended October 31, 2020 and 2019, respectively.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

INCOME TAXES - The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and from New York State income taxes under Article 7-A of the Executive Law. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(2).

The Organization files exempt organization returns in the U.S. federal and New York State jurisdictions. The Organization's information returns filed for 2015 and later years remain subject to examination by both jurisdictions. Such filings are generally subject to examination by taxing jurisdictions for three years after filing.

Under a provision of the Tax Cuts and Jobs Act (TCJA) of 2017, the Organization paid Federal income taxes of \$1,899 in fiscal year 2019 relating to certain expenses for providing employee parking. In December 2019, the provision was repealed retroactively to the date of enactment and the Organization has applied for a refund of the tax.

FAIR VALUE OF FINANCIAL INSTRUMENTS - Except as discussed in Note 4, the fair value of the Organization's financial instruments approximate their carrying values due to the short-term nature of maturities and expected collection or payment periods or because the terms are similar to market terms.

ESTIMATES - Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. On an ongoing basis, management evaluates the estimates and assumptions based on new information. Management believes that the estimates and assumptions are reasonable in the circumstances; however, actual results could differ from those estimates.

MANAGEMENT'S REVIEW - Management of the Organization has evaluated events and transactions through February 18, 2021, which is the date the financial statements were available to be issued.

The ongoing COVID-19 pandemic's short-term and long-term impact on the Organization's future financial position and operations cannot presently be determined, but it has the potential to result in a significant economic impact.

NOTE 2 - LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

The Organization regularly reviews its financial position and operations, including liquidity needed to meet general expenditures, liabilities, and obligations that may come due. The Organization considers general expenditures to be those types of expenditures routinely incurred in operating its programs and supporting services.

The following reflects the Organization's financial assets available within one year of October 31, reduced by amounts not available for general use due to contractual restrictions:

| | 2020 | 2019 |

NOTE 10 - TAX DEFERRED GROUP ANNUITY CONTRACT

The Organization provides a tax-deferred group annuity contract that covers all full-time, permanent employees. The Organization contributes 2% of gross payroll for each eligible employee. The Organization's contributions for the years ended October 31, 2020 and 2019, were \$58,926 and \$116,984, respectively. During the year ended October 31, 2020, the Organization used \$42,231 of forfeit balances to reduce their contribution to the plan.

NOTE 11 - LEASES AND RENT EXPENSE

The Organization leases real property and equipment under both short-term and long-term operating leases. Rental expense for the years ended October 31, 2020 and 2019 was \$951,697 and \$939,549, respectively.

Future obligations of operating leases for real property with initial or remaining terms of one year or more as of October 31, 2020, are as follows:

| Year ending | |

| October 31 | Amount |
| 2021 | \$ 921,443 |
| 2022 | \$ 850,835 |
| 2023 | \$ 553,284 |
| 2024 | \$ 553,284 |
| 2025 | \$ 553,284 |

NOTE 12 - CONTINGENCIES AND COMMITMENTS

The Organization has a self-insured unemployment insurance plan with the State of New York. Under this plan, the Organization charges each program for unemployment on an ongoing basis based on the percentage of payroll expense and actual claims experienced, and then unemployment claims are charged against the accrual. At October 31, 2020 and 2019, the Organization had an accrued liability of \$421,900 and \$515,394, respectively, for use against future unemployment costs.

The Organization also has a policy of charging programs for Workers' Compensation based on historical costs incurred. The Organization previously obtained Workers' Compensation coverage through a self-insured trust. During 2009, the Trust and numerous similar trusts, were dissolved by New York State, at which point the Organization obtained insurance through a third-party carrier. At that time, New York State claimed that the Trust was in a deficit position. On February 28, 2014, the Organization agreed to a settlement with the NYS Workers' Compensation Board, which requires the Organization to pay \$459,896 plus interest at 3.5% over a ten year period. This was expensed and recorded as a long-term liability in the 2014 financial statements (see Note 9).

The Organization receives a significant amount of financial assistance from the federal, state, and local governments. Grants and contracts normally provide for the recovery of direct and indirect costs. Entitlement to the recovery of the direct and related indirect costs is conditional upon compliance with the terms and conditions of the grant agreements and with applicable federal regulations, including the expenditure of the resources for eligible purposes. Substantially all grants and the Organization's indirect cost rate are subject to financial and compliance reviews and audits by the grantors. In management's opinion, it is highly unlikely that an adverse material outcome will result from those reviews and audits.

In 2013, there was a conveyance of a 10-unit affordable housing apartment property from a terminated limited partnership to the Organization. The Organization was the general partner of the limited partnership.

The property was appraised at \$58,000 using an Income Approach. This approach took into consideration that the property was subject to a mortgage agreement and non-interest bearing promissory note of \$852,616 with the New York State Homeless Housing Assistance Corporation (HHAC). As of October 31, 2020, approximately 6 years remain until the maturity of the mortgage. If the property is not operated as affordable housing prior to maturity, the mortgage becomes due. It is the intent of the Organization to continue to operate the property in accordance with the terms of the mortgage agreement. Therefore, no mortgage liability is reflected in these financial statements.

The Organization is the guarantor of a \$100,000 revolving line of credit of Chautauqua Opportunities for Development, Inc. (see Note 14). There was no outstanding balance on the line at either October 31, 2020 or 2019.

NOTE 13 - CONCENTRATIONS OF RISK

The Organization provides social services primarily in Chautauqua County, NY. A substantial portion of the Organization's funding consists of government grants. Thus, its funding is vulnerable to changes in the legislative priorities of federal, state, and local governments. For the years ended October 31, 2020 and 2019, government grants comprised the following percentages of total revenues:

| | 2020 | 2019 |
|---------------------|------|------|
| Federal | 66% | 68% |
| New York State | 5% | 6% |
| Local governments | 5% | 5% |
| Total concentration | 76% | 79% |

The Organization maintains its cash balances in one financial institution. At October 31, 2020 and 2019, the Organization's cash balances exceeded federally insured limits by \$11,888 and \$665,750, respectively. In addition, the Organization's main checking account sweeps into a money market mutual fund that is not insured by the FDIC or any other government agency. At October 31, 2020, the balance in the fund was \$842,548.

NOTE 14 - RELATED PARTY TRANSACTIONS

The Organization is a member of Fredonia Commons Affordable Housing, Inc., which is a cogeneral partner in a limited partnership, Fredonia Commons Limited Partnership. The Partnership was organized exclusively to acquire, rehabilitate, own, lease, manage, and operate certain property located in the Village of Fredonia, New York as affordable family, individual, and senior rental units. The Organization handles the daily property management of the project pursuant to a management contract with Fredonia Commons Limited Partnership. During the 2020 fiscal year, the Organization made an additional investment of \$40,439 to purchase the partnership interest of another partner. The Organization's receivable due from Fredonia Commons Limited Partnership as of October 31, 2020 and 2019, totaled \$28,010 and \$22,301, respectively.

In 2004, the Organization was involved in forming a not-for-profit corporation, Chautauqua Opportunities for Development, Inc. (CODI). CODI was founded for the mission of promoting, stimulating, developing, and advancing economic welfare in distressed communities by providing financing for businesses and improving the social and/or economic conditions of low-income persons by providing loans, equity investments, and financial services. In March 2019, the Organization purchased certain loans receivable held by CODI for \$12,500. The Organization had a receivable due from CODI of \$11,378 and \$16,795 as of October 31, 2020 and 2019, respectively.

NOTE 15 - NON-FEDERAL MATCH

Several of the Organization's grantors require matching funds related to their programs, which are detailed as follows:

| Grantor/Program | Program Year end | Match Required | Actual Match | Excess |
|---------------------------------------|---------------------|-------------------|-----------------|---------------|
| HHS - TILP | 9/29/20 | \$ 22,222 | \$ 31,172 | \$ 8,950 |

NOTE 16 - CENTRAL AND ADMINISTRATIVE SERVICES

The Organization provides various central and administrative services that create economies of scale as well as benefiting the individual programs. As services are provided, the programs are charged a fee based on the estimated actual cost of the service.

The Centralized Navigation System is a critical component of the Organization which has been implemented to improve client intake and assessment and ensure that each client receives all of the services for which they are eligible. Some of the objectives of the system are as follows: to ensure all clients receive full screening and risk assessment; to provide a bundled service delivery approach; to provide data collections across modalities; to track data longitudinally; and to evaluate and refine service delivery. The costs associated with the operations of the system have been allocated to the budgets of the programs they serve.

NOTE 17 - SUBSEQUENT EVENTS

On December 31, 2020, the Organization was notified by U.S. Equal Employment Opportunity Commission (EEOC), Buffalo Local Office, that a charge of employment discrimination has been filed with the EEOC against the Organization by a former staff member under the Americans with Disabilities Act (ADA). The circumstances of the alleged discrimination are based on disability and involve issues of discharge that are alleged to have occurred on or about September 22, 2020.

The Organization could be responsible for a \$10,000 insurance deductible to cover legal fees related to the case in the event the case proceeds to trial. The amount is not material to the operations of the Organization.

NOTE 18 - RECLASSIFICATIONS

Certain accounts and amounts in the 2019 financial statements have been presented or reclassified for comparative purposes to conform with the presentation of the 2020 financial statements.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Board of Directors
Chautauqua Opportunities, Inc.
Dunkirk, New York

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Chautauqua Opportunities, Inc. (a nonprofit organization), which comprise the statement of financial position as of October 31, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated February 18, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Chautauqua Opportunities, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Chautauqua Opportunities, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Chautauqua Opportunities, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Chautauqua Opportunities, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

The Board of Directors
Chautauqua Opportunities, Inc.
Dunkirk, New York

Report on Compliance for Each Major Federal Program

We have audited Chautauqua Opportunities, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Chautauqua Opportunities, Inc.'s major federal programs for the year ended October 31, 2020. Chautauqua Opportunities, Inc.'s major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of Chautauqua Opportunities, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Chautauqua Opportunities, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Chautauqua Opportunities, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, Chautauqua Opportunities, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended October 31, 2020.

Report on Internal Control Over Compliance

Management of Chautauqua Opportunities, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types compliance requirements referred to above. In planning and performing our audit of compliance, we considered Chautauqua Opportunities, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express on opinion on the effectiveness of Chautauqua Opportunities, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit the attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we considered to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our of testing internal control over compliance and the results of that testing based on requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
